

OCCUPATIONAL DIVER CLEARANCE POST COVID ILLNESS

© CONSIDER VACCINATION STATUS FOR ALL APPLICANTS

*Assessment date will be determined at the time of administering the Diver Post COVID Questionnaire via telehealth

*Chester Step Test – DO NOT PERFORM if: there is significant risk of aerosolised particles in a closed space without appropriate PPE
: SpO2 <95% R.A

– Refer on for Respiratory assessment if SpO2 decreases by 4% or poor physical capacity
